

## PAULINE'S DEPARTURE

After eight years working here in Kilkeary N.S., Pauline is due to leave at the end of June. Although Pauline was initially employed to work with Rebecca, her role in the school expanded more and more over the years. Her artistic ability is there for all to see. The beautiful way in which she decorated Grenanstown Church for the recent First Holy Communion ceremony left a lasting impression on all who saw it.

Pauline is universally liked by all pupils, parents and teachers. She has made friendships here that will last a lifetime. While everyone in Kilkeary will be sad to see Pauline leave, we are delighted to call her our friend and grateful to have had the opportunity of working with her these past few years.

## SPORT

The school had quite a successful year on the hurling front. After being defeated in the last three North finals we finally got our hands on the trophy with victories over Ballinaclough and Aglish. We defeated Ballysloe N.S. in the county semi-final to set up a meeting with Killea N.S. in the county final. All roads lead to Semple Stadium on May 26th. Although we scored four goals and eleven points, defeat was our lot but we put up a great performance and battled to the end. A special word of thanks to Thurles Vocational School who provided refreshments for the panel and parents after the match.
